Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

RECIPE

VEAL MARSALA

Veal scaloppine is a superthin veal cutlet. Here, it's dredged in flour then sauteed. Serve over egg noodles or a blend of white and wild rice.

1 pound veal scaloppine
1/4 cup all-purpose flour, divided
2/3 cup beef consomme
1 tablespoon butter
1/2 cup dry Marsala wine
1 cup presliced mushrooms
1/4 teaspoon salt
1 tablespoon chopped fresh parsley

1. Dredge veal in 3 tablespoons flour. Combine 1 tablespoon flour and consomme, stirring with a whisk; set aside. 2. Melt but-

ter in a large nonstick skillet over medium-high heat. Add veal; cook 1 1/2 minutes. Turn veal over; cook 1 minute. Remove veal from pan. 3. Add wine to pan, scraping pan to loosen browned bits. Add consomme mixture, mushrooms, and salt; bring to a boil. Reduce heat; simmer 3 minutes or until thick. Return veal to pan; sprinkle with parsley. Yield: 4 servings (serving size: 3 ounces veal and about 2 tablespoons sauce).

Home is where
your story begins

The team at Sherrie's South Shore Realty Inc. know that home is more than a place to park your car, sit on the sofa, and lay your head. Home is the laughter of a baby, a homemade meal with friends, and the closeness of a family.

We've called the nation's oldest city home for 31 years and we continue to play an active role in caring for this vibrant and historic community. We specialize in selling, renting, commercial, lots and land, and property management. Whatever your real estate needs are we are here to help.

Every home has a story, yours begins here

An interview with BigCentric Appliances

BigCentric Appliances, located in Wilmington, DE, is a family-run business and was established in 2012. The business operates in a Costco-type warehouse and enjoys a low overhead cost, and passes its savings to customers. It is a member of a multi-billion dollar appliance coop, which has a large buying power. We also run our eCommerce as well as our traditional retail store business highly efficiently.

Why BigCentric.com Appliances? BIG Savings - How competitive are you? Big box store employees buy from us!

Customer CENTRIC Service - What about the service? We listen to what our customers say and recommend the right products they want. We do not upsell or give them sales pressure. We actually encourage them to take our unbiased information and our price quotes to other stores to COMPARE! Please check our Google reviews.

Convenient Shopping - How can I place an

order? You can order in store, by phone/text, or online.

Big coverage area - Do you cover my area? We cover the greater Philly (5 counties), and the entire states of DE/NJ.

Free stuff - Do you offer free deliveries? Local delivery on a qualifying purchase, haul-away, standard install parts, and 30-day storage are all included. 0% interest financing is also available.

Sales come and go and our prices are going up and down along with sales. We, however, always offer **BIGGER** Savings than others, especially on kitchen packages and laundry pairs. Our goal is to get our customers the most pleasant shopping experience while they enjoy bigger savings with us. From customers who are buying appliances for their own homes to those who are selling their houses and to those who are managing rental properties, we help them save time and headaches. We just encourage every appliance shopper to **COMPARE!**
